

FOR IMMEDIATE RELEASE:

SecureZIP® & PKZIP® offer Day One Certified Support for POWER6® in Power Systems for IBM i®

Milwaukee, New York, London, Tokyo—April 2008--PKWARE, Inc., the leader in data protection and file management applications for z/OS®, i5/OS® (IBM i), AIX®, Solaris®, HP-UX®, Linux®, and Windows®, confirmed that both SecureZIP and PKZIP completely support Power Systems for IBM i hardware featuring the new POWER6 chip. PKWARE worked extensively with IBM to ensure early adopters of the new chip that SecureZIP and PKZIP would continue to meet their needs and they could migrate immediately, with full confidence.

SecureZIP for i5/OS is used globally to protect midrange-generated data at rest and in transit, applying strong encryption to files archived into cross-operating system portable ZIPs. In addition to support for POWER6 in Power Systems for IBM i, PKWARE also announced support for Power Systems for AIX.

“Performance improvements in IBM's latest release will be a welcome feature to all of IBM i Power Systems customers. PKWARE worked closely with IBM on this release to ensure customer needs were met, fully and completely,” said Joe Sturonas, Chief Technology Officer for PKWARE.

#### **About PKWARE, Inc.**

PKWARE, Inc., the largest global software company providing ZIP solutions, is the creator and continuing innovator of the ZIP standard. PKWARE products are used to ensure the security and portability of data internally, as well as with partners, across all major platforms. Hundreds of global organizations in financial services, banking, retail, healthcare, government, and manufacturing use PKWARE services daily. PKWARE products provide unmatched scalability, ease of use and deployment, making them the most cost-effective means of securing data and complying with industry regulations. PKWARE, a privately held company, is based in Milwaukee, WI with offices around the world. PKWARE Japan K.K. serves the Asia Pacific market including China, South Korea, Singapore, Taiwan, and Malaysia from its offices in Tokyo.
